

## TESTIMONIALS, BUZZ COUNTY WIDE FENCE

*TOP NOTCH – “I just wanted to drop you a note to let you know how pleased my wife and I were with the work you did on our fence. As you promised, the quality was top-notch and the workmanship really made us feel that we got our money’s worth. We wish you continued success, and will not hesitate to contact you should be we needing additional fencing work done again.”*

*PROMPTLY RETURNED MY CALL – “Please accept this letter of recommendation regarding the fence built for me .... Let me explain why: Larry promptly returned my first telephone call the same day. (Two other companies did not.) The following day, Larry accommodated my schedule by meeting me at the property and reviewing options. Larry was on site daily and promptly resolved a few minor issues during construction. My wife and I are extremely pleased with the outcome of the project.”*

*RARE PRIVILEGE – “I recently had the rare privilege of having something I envisioned and drew on paper, turn out EXACTLY as I dreamed it. Mr. Larry Thomas and his folks at Buzz County Wide Fence enclosed my 3.1-acre property with three fencing motifs and the job was perfect. For the back of my lot, Larry ran farm fence anchored my cedar post and alternated with metal “T” posts. He blended that fencing nicely with a two by two angle iron, double-railed, structure to set off the front sides. Across the front of the property, he put ornamental wrought iron complete with a solar powered gate system which his folks built. To say the joy is outstanding in an understatement.*

*We are enjoying our fence and I enjoyed working with Mr. Thomas. He was upfront with the estimates and never wavered from our initial agreed upon price, even though he encountered some rocks and other minor obstacles. If you need a fence, Buzz County Wide Fence should be your choice. Larry will tell you himself that their company is not the cheapest in town, but they’re also not the most expensive. His technicians clean up after themselves and are conscientious about your property. If you are wanting an outstanding fence, at a fair price, give Larry a call.”*

Respectfully,

EXCELLENT JOB - *I am writing to commend you for the excellent job that Jim Smith did on behalf of your company. Not only did his crew build a beautiful, first-rate fence in a timely manner, but he also monitored their progress closely making certain that it was a quality production.*

*It was a real pleasure to work with Jim Smith, and we appreciate his patience as we had to wait for clearance from two separate homeowners' associations. It seems that few people return call these days or even bother to follow up on a prospective sale; so we were impressed with Jim's very "gentlemanly" persistence and salesmanship.*

*We will certainly recommend your company in the future.*

Sincerely,
